

MORNING APPEAL

SATURDAY.....JUNE 8

CHARITY BEGINS AT HOME.

The appalling news reached here this morning, that the great and enterprising city of Seattle had been entirely destroyed by fire, and more than five millions of dollars worth of property completely annihilated. This is a sad blow to the thrifty and pushing people of that Northwestern region, and calls for aid and sympathy from all the people of the Pacific Coast.

It had been proposed by this paper that a meeting be called to contribute aid and material assistance to the sufferers from the calamitous Johnstown flood; but, now, that we have people who are homeless and destitute almost at our own doors, it is but right and proper that we let our charity begin at home, and, instead of sending money and assistance to the far East, we should see that it be at once contributed and sent to the suffering and destitute ones of the once fair and prosperous city of Seattle.

Not only will this be the proper thing in the light of broad charity, but it will be charity at home, or very many of the people of Seattle have been residents of Nevada, and have only during the past few years removed from this State expecting to better their fortunes in the new land of the thriving Northwest. These people, in a measure, are still our own, and we would be miserly indeed, if we failed, now in their hour of loss and destitution, to render them that aid which is necessary, and which our better natures strongly induce us to extend.

The suffering and destitute people of the flooded district in Pennsylvania will have more than a million of dollars contributed to their aid; they will draw from a vast region of rich States and prosperous cities. There will be no lack of means to supply their every want.

The people of Seattle are close at home, and their needs are pressing. It is only to the people of the Pacific Coast that they can look for immediate help. That help must reach them quickly. Now is the time to act, and the quicker the action the more quickly will necessities be relieved.

ESCAPED THE STORMS.

The Salt Lake Tribune says, during the last week, tremendous storms have swept the world around. They have been disastrous in China, India, Europe and our Eastern States. The region transversed by the Rocky and Sierra Nevada mountains is about all that has escaped. Whether the scientists can explain what has caused the mighty precipitation or not we do not know, but the fact is certainly apparent that there is hardly a parallel to what has been experienced. It is possible that the storm has not yet even quite expended its force, and we may still have a heavy rain, though it is late in the season for a very severe storm. Take it all in all, it is doubtful if any part of the earth is as free from destructive storms of all kinds as this region, from the Western base of the Wasatch range to the Eastern slopes of the Sierras.

A farmer named Rhodes, residing about twenty miles North of Snodgrass, W. T., was arrested Tuesday and lodged in jail at that town for assaulting his 12-year-old daughter, and Wednesday he committed suicide in jail by hanging himself.

Warrants have been issued at San Jose for the arrest of a man named Potter and Miss Minnie Van Horne, who are charged with conspiring to obtain money from General H. L. Gordon, a wealthy ranch-owner on the Alum Rock road.

Rev. G. W. James, who was recently expelled from a Southern California Methodist Church, has been requested to leave Oleander, a colony adjoining Fresno, where he has been residing or some weeks.

Lee, the Stockton boy preacher, has been committed to the insane asylum.

TRIUMPH is a beautiful bay; stands 15.3 and weighs over 1,200 and is the finest looking a man ever saw. He took the first premium for 3 year-old stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$20 for the season; \$80 to insure.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 40 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 2, 3 and year-olds are out of St. Clair mares, namely: Fred Crocker-dam by St. Clair, two year old record 2 25½; Bonito, dam by St. Clair, 2 year old record 2 24½, 3 year old record 2 15½; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.

JOHN P. SWEENEY, Prop'r,
